

**KAVAND VALGUSREKLAAMILE  
NARVA MNT 9- 39, TALLINN**

**PAIKNEMINE-** valguskasti alumine serv on akna/uksevõlvi ülemisest servast kõrgemal 15-20cm, reklaami enda kõrgus on max 60cm ja laius ca 250cm

**MATERJAL-** The material from which it is made is acrylic, a spool of acrylic on which LEDs are attached and they shine on acrylic letters wrapped in black film, as practice shows, the sign does not shine into the windows of the neighbors above
